

Prayer for our Children

Our Father who art in heaven,
Hallowed be thy name.
We took your prayer from America's schools.
Now nothing is the same.

For our children grope in darkness
Without your guiding light.
They are tempted by drugs, and the sound of their guns
Echoes through the night.

Their own mother had the "choice" to kill them
While in the womb, they learn.
No more the sacredness of human life
Within their heart does burn.

And America's cities will crumble,
The nation will topple and fall
That fails to put Your Word and the sacredness of life
In the heart of the child and all.

Speak anew to us our Father,
Heal and restore our land.
Grant our leaders the courage
To put back in place Your plan

Of Your prayer in the schools of our children,
Your Word within their hearts,
That never again in violence
Our cities will be torn apart.
